PROFESSIONAL SUMMARY

Java Developer and B.Tech Computer Science graduate with hands-on experience in developing database-driven web applications using Java, Servlets, JSP, JDBC, SQL and Spring Boot. Built Student Management and E-Commerce applications involving CRUD operations, authentication, session management, database integration and modular application design. Familiar with REST APIs, Hibernate, MySQL, Oracle SQL, Git and GitHub.

TECHNICAL SKILLS

Languages : Java, SQL, JavaScript
Frontend : HTML5, CSS3, Tailwind CSS
Backend : Java Servlets, JSP, JDBC, Spring Boot, REST APIs, Hibernate
Database: MySQL, Oracle SQL
AI Tools : ChatGPT, Claude, Google Gemini
Developer Tools : Git, GitHub, Maven, IntelliJ IDEA, Eclipse, VS Code
Core Concepts : OOP, CRUD, Authentication, Session Management, MVC, Database Integration

PROJECTS

Online Shopping / E-Commerce Platform | Java, Spring Boot, REST API, SQL

- Developed a multi-category e-commerce web application supporting product browsing, customer login, cart management, and admin functionality.
- Implemented authentication and session-based access control to restrict unauthorized access to protected application pages.
- Developed modular backend components for login, logout, cart, and product-category operations.
- Integrated application functionality with relational database operations for managing users, products, and shopping data.

Student Management System | Java, Servlets, JSP, JDBC, Oracle

- Developed a database-driven Student Management System implementing CRUD operations for student records.
- Implemented login and registration functionality using JDBC-based authentication with Oracle Database.
- Developed modules for adding, updating, deleting, and searching student records and academic information.
- Implemented dynamic report generation to allow student results and records to be downloaded as Excel files.

JAVA FULL-STACK DEVELOPMENT TRAINING

Codesquadz

- Completed hands-on training in Core Java, OOP, JDBC, Servlets, JSP, SQL and web application development.
- Gained practical exposure to Spring Boot, MySQL, Hibernate, and JavaScript through application development and training projects.

CERTIFICATIONS

- **Java Full Stack** — CodeSquadz
- **OOPs in Java** — Simplilearn

EDUCATION

Sagar Institute of Research and Technology Excellence, Bhopal **2022 – 2026**
B.Tech — Computer Science — ***CGPA: 7.6***
